JEGUHOUSING AU SEIN DE SES PROJETS

JEGUHOUSING a été fondée en 2014.

Aujourd'hui, JEGUHOUSING Concept, est dirigés par deux associés passionnés et expérimentés, Karine LOPPIN et Michael JEGU.

L'équipe s'attache à proposer des idées innovantes et modernes dans le but de rendre chaque projet unique.

Chaque projet de construction, de restauration, d'architecture d'intérieur ou de design fait l'objet d'une attention particulière, quelles que soient.

Son échelle, sa portée, sa particularité et sa destination. Nous travaillons toujours en équipe pour mettre en commun nos compétences et nos idées afin de maximiser la qualité de nos prestations.

JEGUHOUSING collabore avec des partenaires de diverses horizons permettant ainsi de répondre à tous besoins : design graphique, naming, signalétique, aménagements, décoration et tout travaux de bâtiments.
